Why NTT DATA

A growing consulting, business and IT services powerhouse

We are one of the largest and fastest-growing technology brands in the world.

30+ years of consecutive revenue growth

50+ countries and 4 regions

Through the power of technology and innovation, we architect a secure, connected future.

Bold innovation

From smart cities to digital twin modeling, we push the boundaries of what's possible.

- **USD 3.6 billion** invested in R&D annually
- **~20,000** patents
- **Thousands** of technical papers published annually

We're a leader in applications, AI, managed services, digital workplace, edge, IoT, cloud and security.

Disruptive transformation

We disrupt industries for good and transform organizations for success.

Our clients include:
- Global **industry leaders**
- **75%** of the Fortune Global 100

Our client innovation centers showcase leading technologies and inspire collaboration with clients and partners.

Our bold vision and excellence in execution are consistently recognized in our industry.

We are named a Leader* in the:

2023 Gartner® Magic Quadrant™ for Managed Network Services

2023 Gartner® Magic Quadrant™ for Network Services, Global

2023 Gartner® Magic Quadrant™ for Outsourced Digital Workplace Services Worldwide

IDC MarketScape Worldwide Data Center Services 2023 Vendor Assessment

IDC MarketScape Worldwide Application Modernization Services to Azure 2024 Vendor Assessment

Commitment to making a difference

We balance growth and sustainability to improve the environment and society.

- Leader in carbon management (top 25% of EcoVadis assessment)
- Partnered with ClimateForce to create world's first smart rainforest
- Signatory to United Nations (UN) Global Compact
- Supporter of UN Sustainable Development Goals
- Ambitious target of net-zero emissions by 2030

We partner with communities and conservationists to support conservation, regenerate forests and make STEM education accessible to underserved groups.

Exceptional people

Our people are our greatest asset and our greatest differentiator.

- Top Employer in 29 countries in 2024
- Received EY's Global Equality Standard Certification in 2023
- Helping our clients build better, bolder products.

We are committed to building a diverse workforce and giving everyone the opportunity to thrive in their careers. In this way, we can all contribute to a successful and sustainable business and an equitable society.
